Golden Jackets Brazil — Co-Founder Operations Guide

Welcome, Co-Founder!

As a Co-Founder, you help manage the Golden Jackets Brazil community through the Admin panel. This guide covers your responsibilities and how to use the tools available to you.

1. Your Role

As Co-Founder, you help Ricardo (Founder) with:

- Reviewing and approving new member applications
- Creating Lounge access for verified members
- Managing the member list (promote challengers, remove inactive)
- Ensuring member data quality (verify Credly badges)

You do NOT manage:

- Site code or infrastructure
 - International chapters
 - Partnerships or sponsorships
-

2. Accessing the Admin Panel

1. Go to: <https://goldenjacketsbrazil.com/members.html>
 2. Log in with your email
 3. Click the  **Admin** button (top right)
-

3. Admin Tools Available

List Users

Shows all Lounge members in Brazil with their status (Confirmed or Pending).

Create User

Creates Lounge access for a new verified member:

1. Click **Create User**
2. Enter their name and email
3. Select type: Golden Jacket (12/12), Challenger (11/12), or Challenger (10/12)
4. Click **Create & Send Invite**
5. They receive an email with temporary password

Resend Pending

Resends invitation emails to members who haven't logged in yet.

Delete User

Removes a member's Lounge access permanently.

↑ Promote Challenger

When a Challenger completes their 12th certification:

1. Click **Promote Challenger**
2. Enter their email
3. Reminder: you still need to ask Ricardo to update their card on the site

Export CSV

Exports the member list as CSV for reporting.

Show Metrics

Shows site visitor stats.

Backlog

Shows the project backlog.

4. Member Validation Process

Before creating a user, **always verify**:

1. **Check Credly**: Confirm they have all 12 active AWS certifications
 - Go to their Credly profile (usually linked on LinkedIn)
 - Verify all 12 badges are active (not expired)
2. **Check LinkedIn**: Confirm identity matches
3. **If Challenger**: Verify they have 10 or 11 certifications
4. **Only after verification**: Create their Lounge user

Never create a user without verifying their certifications.

5. Rules & Guidelines

- Always verify before creating users
- Don't delete users without consulting Ricardo first
- Don't share admin access credentials
- If unsure about a decision, ask Ricardo
- Be welcoming — every new member chose to be part of this community

6. What You Cannot Do

Action	Why
Edit the website code	No GitHub write access
Add member cards to the site	Only Ricardo (via GitHub)
Access other chapters (Poland, etc.)	Scoped to Brazil only
Restore backups	Founder only
Change admin settings	Founder only

7. Escalation

Contact **Ricardo Gulias** (Founder) for:

- Adding member cards to the site
- Structural changes
- Partnership inquiries
- Issues with the Admin panel
- Anything you're unsure about
